RIGHTS CLEARANCE

We clear rights to the best songs, at the best rates.

Music Rights Clearance is a one-stop shop for all your music licensing needs. Since 2014, MRC has been connecting producers with great music for competitive prices in many of the best advertisements in North America.

contract
administration and
payments

We have what it takes

Working with the biggest brands and agencies on a daily basis, we have in-depth industry knowledge and strong relationships with all of the major players in the music industry. We have regular access to rights holders like artists, managers, record labels and music publishers from around the world.

Our team is passionate about doing it the right way. We have mastered music rights clearance, with thorough research, speed and rigour.

You'll be on the fast-track

Let's work together. You'll get quick answers, great tips, amazing songs,
and most importantly, peace of mind!
